### **Presidents Review of the Year**

2018 – 2019 marks endings and new beginnings. After being in the Cottar House in Alburne Park for nearly 60 years, Glenrothes Art Club sold the building. In December we moved to rented property in Caledonia House, Saltire Centre.

This move has given us a much larger area to work in, lots of natural daylight and more comfortable surroundings. In turn this will enable the Club to expand, open new groups, classes and workshops and even have space for exhibitions. The possibilities for expanding the activities of the Club are endless.

Given time we will be able to rent space out to groups or individuals or even members who wish to have their own personal exhibition. We hope to eventually have the Club open 3 sessions a day for at least 5 days a week.

Classes for children and teenagers are planned.

In addition to this we have been gifted good up-to-date practical furniture from several sources. Originally the committee had agreed to set aside an amount of monies to furnish the new premises. This money is now free for other essential set up costs. We will have a computer installed giving internet access not only to the committee but to the membership.

It has been a very busy year for the committee, and they have worked extremely hard from the moment we were gifted equipment from the Beehive Art Centre in Buckhaven when it closed, until today when even husbands have been roped in to build furniture gifted to us. Personally, I feel that it has been a privilege to work with this committee and I give my sincere thanks to them for all their support, work and commitment.

This is an exciting time for the Club with a bright future ahead of us. The Glenrothes Art Club now has the opportunity to become an even greater focus for arts and crafts in the Glenrothes Area.

## Lilian Sloan President.

### **Review of Performance and Achievements**

 Annual Exhibition - We were delighted to have the talented Vanessa Motion from Kingdom FM open our Annual Exhibition which took place in the Fifespace Gallery at the Rothes Halls. Vanessa helped give out the prizes from the exciting prize draw and the members enjoyed a delightful buffet. We sold 11 pictures at this year's exhibition which was held rather earlier in the year than usual.

We were very happy to be sponsored by FiFab Precision Solutions again this year and they were kind enough to give us £250 to help with the running costs of the opening our Annual Art Exhibition.

- Community Involvement Unfortunately the Markinch Community Council Fayre that we attended last year at Dixon Park was called off due to the bad weather, however we took a stall later in the month at Markinch Town hall. We also participated in the Glenrothes Airport Show and Warout Fayre promoting the Glenrothes Art Club and selling some crafts. We talked to a lot of interesting people some of which have since joined as members. We are always looking for opportunities to promote the club and encourage new members to join.
- Workshop Programme and Classes We would very much like members' ideas for future workshops and classes, and we will do our best to bring them to our club.

Classes and workshops- you should really take advantage of this great opportunity, we have lined up some fantastic tutors for you held throughout the year, with members enjoying mentoring from the tutors. These workshops are subsidised by the club with members having to pay a nominal fee and you should really take advantage of their knowledge, no one is too old to learn new techniques and improve their artistic skills.

### **Treasurers Review of the Year**

Our Income & Expenditure Account for 2018/19 is shown at the end of this report, and detailed Notes to these Accounts are on the facing page. These cover relevant accounting policies and highlight significant areas of financial performance. The previous year's figures are included for comparison.

This has been a momentous year in The Glenrothes Art Club history with us moving to new premises. We sold the Cottar house Studio for £116,000 and after deductions for legal and agents fees we were left with an income of £112,984 from the sale.

In moving to the new location there has been some additional property costs so far this year of £3,913, a lot less money than we expected as we were donated furniture and fittings to furnish the rooms. We do have some more work to do in this area and will always be looking for new ways to raise funds to continue the up keep of the club.

The income from the sale of the Cottar House Studio is clearly reported in our accounts as an extraordinary item, and effectively increases our balances very significantly. Future rental costs are still being reviewed and we intend to designate the bulk of this income into a separate fund to cover future rental and other property development costs.

Given the extraordinary and one-off nature of this income, we have maintained our existing accounting practice of recording and reporting our financial position using a simple Income and Expenditure Account, rather than adopt any form of accrual accounting. This will maintain comparability between financial years.

The craft group have spent £2,160 of the £2,222 grant from Fife Council a great deal of thought and bargain hunting for the best deals got them equipment that will be used to create new and wonderful creations.

We sold 16 pictures from The Glenrothes Art Centre which has several paintings located in the window and we sold 11 pictures from the Annual Exhibition

Thank you also to our members who organise the raffles and tea fund which is so important for our funds and to any members who help in the day to day running of the Art Club.

We need more new members to join our Art Club because without the membership you will not have an Art club, we need you to invite people to join and enjoy the facilities that are available at the new GLENROTHES ART CLUB

### **Report Approved by Trustees**

This report, and the accounts within, were approved by both trustees and members of Glenrothes Art Club at its AGM on 7<sup>th</sup> April 2019 and is signed here on their behalf.

### Independent Examiners Report to Trustees/Members of Glenrothes Art Club

I report on the accounts of this charity (SC024072) for the year ended 28<sup>th</sup> February 2019.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

In the course of my examination, no matter has come to my attention:

- 1. Which gives me reasonable cause to believe that in any material respect the requirements:
  - a. to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - b. to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Marcus Croy ACCA 1, Ravenscraig Street, Kirkcaldy, Fife
